Renault Alpine Owners Club

The club for all Renault, Renault Sport and Alpine Enthusiasts

THE CLUB

The Club originally grew out of an enthusiast's website dedicated to owners and fans of the V6 Alpines including the Renault Alpine GTA V6 GT, GTA V6 Turbo, GTA Le Mans & A610. The Club now also welcomes owners of all Alpine, Renault Turbo & Renault Sport models built at the former Alpine factory in Dieppe including the: Alpine A110, Alpine A310, 5 Gordini & Alpine, R5 Turbo 1 & 2, R5 GTT, Clio V6, Renaultsport Spider, Renaultsport Clio & Megane. Any other interesting Renault or Renault powered vehicles also considered.

The club aims to provide:

- A high quality web site and forum at **www.renaultalpine.co.uk**
- Tuning, styling & technical advice from leading tuners and Renault & Alpine specialists.
- Opportunities to show your car on club stands at shows & events
- Opportunities to take part in track days & motorsport events throughout Europe.
- An active social scene with a large group of like-minded friends that share a passion for cars, in particular Renault, Renaultsport & Alpines.
- Positive links with other car clubs.

Typical events include World Series by Renault Silverstone, Le Mans, Nurburgring, Macon Rally, Bromley Pageant, Le Mans Classic, Prescott La Vie en Bleu, Croix en Ternois, Goodwood, Cholmondeley, Bruntingthorpe Proving Days and of course our regular monthly Northern and Southern meets at various venues including the world famous ACE cafe.

Please let us know of any events you think we should be attending. If you would like to organise a local cruise or meet, please use the forum or feel free to give us a call on 02073946801.
